TASK LIGHTING & POWER PRODUCTS AND ACCESSORIES WARRANTIES

Hardware Resources believes in quality, integrity, and reliability. We uphold the highest standards of service and responsibility in the industry.

As such, Hardware Resources warrants all Task Lighting & Power products for FIVE years and Task Lighting & Power accessories for THREE years against defects in material and workmanship brought to our attention within FIVE years (products) or THREE years (accessories) after the purchase if the original consumer purchased the products from an authorized distributor of Hardware Resources. Hardware Resources cannot guarantee the quality or condition of products from distributors who do not agree to meet our high standards, and therefore, no warranty is provided for products from unauthorized sellers. If a defect is found within FIVE years for Lighting & Power products and THREE years for accessories, Hardware Resources will send to the original purchaser a new replacement product or component at no charge.

If a replacement is no longer available, Hardware Resources will offer a replacement fixture or component that is comparable to the original product's purchased price. This warranty is a warranty of replacement only. Hardware Resources specifically does not warrant removal of the product nor installation of replacement new product.

This warranty does not apply when the item has been tampered with, misused, improperly installed (use of incorrect voltage, use of incorrect wire size and type), or damaged through improper cleaning, abuse, or accident.

In the unlikely event that a defective Task Lighting & Power item is encountered, please contact Customer Service at 800-445-6404. Please be able to provide a brief description and photographs of the defect.
