HARDWARE RESOURCES EXPANDS WAREHOUSE CAPACITY TO SUPPORT NORTHPOINT CABINETRY GROWTH

New warehouse location in Houston, TX will serve customers in the South and Mid-West

(DALLAS, TEXAS – FEBRUARY 16, 2023) -- Hardware Resources® is pleased to announce the grand opening of a new warehouse and distribution facility in Houston, Texas, for NorthPoint Cabinetry®. The newly constructed 158,000 square foot facility will enable Hardware Resources to meet the growing demand for NorthPoint Cabinetry across the South and parts of the Mid-West.

Hardware Resources celebrated the opening of the facility with a ribbon-cutting event in mid-January. “We are excited to begin 2023 with a new, state-of-the-art warehouse and distribution facility that will enable us to

support our growing customer base in the region,” said Greg Gottlieb, CEO of Hardware Resources. “The added capacity supports our objective to expand the NorthPoint Cabinetry line and give customers faster turnaround times on orders.” Gottlieb also recognized the efforts of employees involved with the project. “This project involved people from across the organization, and I am especially grateful to our operations and logistics teams who pushed hard to get us over the finish line so we can start the new year in a strong position.”

*Greg Gottlieb, CEO of Hardware Resources, did the honors at ribbon cutting event attended by members of the NorthPoint Cabinetry Product Management team
(L to R: Andrew Stokely, Greg Gottlieb, Jay Pannebaker and Milan Cao)*

While the expanded warehouse capacity is expected to have a positive impact on lead times and delivery schedules, the transition is expected to be seamless for customers, who will continue to work with the same sales and customer support teams.

The new warehouse was designed to exclusively support NorthPoint Cabinetry customers

NorthPoint Cabinetry is a line of professional-grade, QuickBuild™ cabinets made in North America and available nationwide. Engineered for fast and easy assembly, NorthPoint Cabinetry features solid wood construction, dovetail drawer boxes, and cabinet interiors free of fasteners that give the cabinets a custom look. In addition to the new warehouse in Houston, TX, the company also has warehouse facilities in York, PA; Phoenix, AZ; Memphis, TN; and Tampa, FL.
